Container depots of CCI

*394. MISS MABEL REBELLO: Will the Minister of RAILWAYS be pleased to state:

(a) the names of container depots managed by the Container Corporation and their turnover/profit for the last three years;

(b) how many private container depots are there in the country and their turnover and their net profit during the same period;

(c) the reasons for which the Railways do not encourage the private sector to set up container depots; and

(d) the reasons for investing Rs. 1400 crore in expansion by Container Corporation of India, when the PSU is slated for disinvestment?

THE MINISTER OF RAILWAYS (SHRI NITISH KUMAR): (a) The list of 47 container depots managed by Container Corporation of India Ltd. (CONCOR) is at Statement-I (*See* below). No depot-wise profitability or turnover is maintained by the company. However, the company's profit and turnover for the last three years are as under:

(Rs. in Crores)

Year	Operating Turnover	Net Profit
1998-99	684.77	140.66
1999-00	831.42	177.59
2000-01	1074.80	216.65

(b) The list of 46 private container depots operating in the country is given in Statement-II (*See* below). Details of the turnover and profit of these container depots are not maintained by the Department of Commerce, the nodal agency for setting up container depots in the country.

(c) To facilitate the private sector to set up rail linked container depots, Railways have already framed guidelines for this purpose.

(d) There is no decision for further disinvestment of CONCOR. CONCOR has to continue to meet the requirement of capital investment for continued viability of its business. CONCOR, accordingly, plans to invest Rs. 1400 crores for acquisition of containers, rolling stock, handling equipments and for setting up its terminals in the period 2002—2006.

Statement-I

Depots managed by the Container Corporation of India Ltd. (CONCOR)

S.No.	Container Depots Managed by CONCOR

Duties on Indian steel imports by US

†*395. SHRI KAPIL SIBAL:
SHRI RAJIV RANJAN SINGH 'LALAN':

Will the Minister of STEEL be pleased to refer to answer to Unstarred Question 2111, given in the Rajya Sabha on 7th December, 2001, and state how many times the rates of import duty on steel were increased by USA during the period from March, 1998 to February, 2002, and how much the same has been increased in each case alongwith the details of its effect on the steel trade of India?

THE MINISTER OF STATE OF THE MINISTRY OF STEEL (SHRI BRAJ KISHORE TRIPATHY): The reply to Unstarred Question 2111 given in the Rajya Sabha on 7th December, 2001 gives information on the anti-dumping and countervailing anti-subsidy duties imposed by the US against import of steel from India and not on the structure of import duty on steel existing in USA. The details of the anti-dumping and countervailing investigations conducted by USA against import of steel items from India since April, 1999 are as given below:
